

A world of difference.

At Barloworld, we do things differently.

- Inspire innovation to drive our business.
- Grow smart ideas by incubating future business leaders.
- Help build on education and skills development by bringing innovation to life.
- Drive entrepreneurship that supports job creation and sustainability.
- Strive for a world that is inspired to change perspective.

It is not just innovation we see but the difference we can make with it.

Perspective makes a world of difference. And so do we.

Enactus South Africa.
